

# ANNOUNCEMENT

## Certification Extension

February 2015

### **Formtek announces Formtek | Orion 4.4.1 Certification Extension 6 and Formtek | Orion 5 Foundation Server 5.2 Certification Extension 1, which add support for:**

- **Oracle® Database 12c Release 1 and Oracle Database 11g Release 2 on:**
  - **Select Linux® platforms – Migrated database only**
  - **Select Windows® platforms**
- **Windows Server 2012 R2, Windows Server 2012, and Windows Server 2008 R2 for select Orion server and client applications**
- **Windows 8.1 for select Orion client applications**

A Certification Extension results from a validation effort with new third-party software or a new release of a dependent Orion product. This extension requires no update to the previously released software.
