Tieto to offer the Formtek Engineering Data Management Solution for Alfresco in Europe

February 28, 2017

Concord, California USA — Formtek, Inc., a leading provider of document and content management software and services, announced today that it has signed a Partnership Agreement with Tieto.

Tieto is an IT Software and Services Company headquartered in Helsinki, Finland. With approximately 14,000 employees in twenty countries, Tieto is one of the leading IT service providers in Europe.

Formtek® is a US-based provider of software and services for Alfresco, and the developer of the Formtek Extensions for Alfresco and the Formtek Engineering Data Management (EDM) Solution for Alfresco. Through the partnership, Tieto will offer sales and support of Formtek's software products in Europe.

"Tieto is recognized as one of the leading IT service providers in Europe, particularly in the Nordic Region", said Dennis M. Scanlon, Formtek President and CEO. "They have a very well-known reputation for reliable and comprehensive IT services, along with an active presence in the energy and industrial market segments. These markets are targeted opportunities for Formtek. We are very pleased that Tieto has chosen to partner with Formtek, and to offer Formtek's EDM Solution to their customers."

"Formtek's Engineering Data Management Solution provides flexible and secure access to the engineering information. It allows authorized users to quickly search and retrieve the latest document versions, and provides access to historical information for reference when making and managing changes", says Jouni Seppälä, Head of ECM Sales and Consultancy for Tieto.
